T'S not what we say about Purina Chows that counts—it's what the animals say. Through 2,413 feeding records from all leading hog raising centers, 90,247 hogs shout, "Purina makes pork at \$6.50 per hundred," while 19,890 steers add, "and makes beef at \$10.08." At the same time 33,399 sheep say, "\$9.98 per cwt. gain." No wonder Purina feeders are making money-more money than by any other plan of feeding. No wonder they are enthusiastic about the feeds in the Checkerboard bags.
